

# PrefabNZ Membership Agreement

This is an agreement to join PrefabNZ on an ongoing basis. **PrefabNZ** is an Incorporated Society governed by its Board and Rules. Rules can be found on our website ([here](#)).

The objectives of PrefabNZ Inc. include:

- To promote awareness and uptake of prefabrication (also known as offsite construction, prebuilt construction and prefab) and encourage its use in New Zealand
- To foster the development and promotion of excellence in the execution and delivery of prefabrication solutions
- To encourage and facilitate technical innovation for and on behalf of people working and operating businesses in the prefabrication industry

**PrefabNZ Inc.** believes it can achieve these and its other objectives through its Members by their:

1. Acting in the best interests of the industry
2. Building collaborative business relationships
3. Fostering innovation and best practice
4. Actively participating in Industry forums
5. Applauding excellence and rectifying failure
6. Resolving disputes amicably

While **PrefabNZ** Inc encourages open and honest communication among Members to further the knowledge and understanding of prefabrication, any member has the right to ensure their intellectual property is protected as they see fit. PrefabNZ will do its best to take the appropriate measures to ensure positive collaboration amongst its members.

Hereby declare that I support the objectives of PrefabNZ and I will abide by its [Rules](#) and its Membership Agreement.
